

## Family Table Suggestions for Recruiting Volunteers on Your Assigned JF&CS Family Table Delivery Day

- Encourage participation through the Bar/Bat Mitzvah class or Confirmation class.
- Advertise in advance—through bulletins, newsletters, the school, etc. Putting the word out early helps families get the date onto their calendars!
- Ask Social Action Committee members (or the Board, Sisterhood, Brotherhood, etc.) to each recruit a specified number of drivers.
- Coordinate a Mitzvah Day around your designated Delivery Day.
- Recruit Religious School families as a fun activity in which to include children.
- See if the religious school director will send a class to volunteer at a distribution
